PROCURE O NOME DAS FIGURAS NO QUADRO DE PALAVRAS E ESCREVA-OS NA CRUZADINHA:

The crossword puzzle grid consists of the following structure:

- A vertical column of 10 squares on the left.
- A horizontal row of 10 squares starting from the 4th square of the vertical column.
- A horizontal row of 10 squares starting from the 2nd square of the vertical column.
- A horizontal row of 10 squares starting from the 1st square of the vertical column.
- A vertical column of 10 squares starting from the 1st square of the horizontal row starting at the 4th square of the vertical column.
- A vertical column of 10 squares starting from the 1st square of the horizontal row starting at the 2nd square of the vertical column.

The objects and their grid positions are:

- Scissors: 10 squares horizontal, starting at the 4th square of the vertical column.
- Chair: 10 squares horizontal, starting at the 2nd square of the vertical column.
- Relógio: 10 squares horizontal, starting at the 1st square of the vertical column.
- Telefone: 10 squares horizontal, starting at the 1st square of the vertical column.
- Livro: 10 squares horizontal, starting at the 4th square of the vertical column.
- Caneta: 10 squares horizontal, starting at the 2nd square of the vertical column.

A cartoon boy is running happily to the right of the grid.

RELÓGIO – CADEIRA - TELEFONE

LIVRO – TESOURA - CANETA
