

Cruzadinha

A crossword puzzle grid is shown with a central vertical column of 10 squares. To the left of the grid, there are five illustrations of items, each with a number indicating the starting point of a word:

- 1: A blender (indicated by an arrow from the grid's top square).
- 2: A pear.
- 3: A carrot.
- 4: A pineapple.
- 5: An apple.

The grid has the following structure:

- Row 1: 1 square (left), 10 squares (center), 2 squares (right).
- Row 2: 3 squares (left), 10 squares (center), 2 squares (right).
- Row 3: 1 square (left), 10 squares (center), 2 squares (right).
- Row 4: 1 square (left), 10 squares (center), 2 squares (right).
- Row 5: 1 square (left), 10 squares (center), 2 squares (right).
- Row 6: 1 square (left), 10 squares (center), 2 squares (right).
- Row 7: 1 square (left), 10 squares (center), 2 squares (right).
- Row 8: 1 square (left), 10 squares (center), 2 squares (right).
- Row 9: 1 square (left), 10 squares (center), 2 squares (right).
- Row 10: 1 square (left), 10 squares (center), 2 squares (right).

Numbered starting points for words:

- 1: Top square of the central column.
- 2: Top square of the rightmost column.
- 3: Second square from the left of the second row.
- 4: First square of the eighth row.
- 5: First square of the tenth row.
